May Newsletter 2020- Level 2 update

Kia ora whanau,

It is very re-assuring to have our first week in Level 2 completed at the centre after such a long time in our bubbles. Thank you for your patience in coping with our exit and entry procedures. We will be continuing with these routines until we are advised by The Ministry of Education they can be amended.

One point of clarification: Please wait for the reply to the text before coming in the centre- it is not just texting to say you have arrived and coming in. We need to maintain the 2 metre distancing between the adults coming in to the centre and this is why we need you to wait for the invitation to come in. If after a couple of minutes, you haven't had a reply, please phone the office and we will put you through to the room.

#### **Easter Raffle- COVID-19 Care Pack**

We are renaming this to be the "COVID 19 Care Pack": Please have a look for your ticket and return it back to the centre as soon as possible. We will now draw the raffle on Friday 5 June. For those of you who have yet to bring a donation for the hampers we ask that you do this as soon as possible. If you would like a replacement ticket, please phone the office.

I would like to congratulate your children and the staff here for the amazing way they have settled back into the centre routines. I would say that most people initially had some concerns about breaking out from their bubbles and coming back into our early learning environment. Overall, the transition seems to have been a mainly positive experience for all of us, so a great pat on the back to you the parents for developing such resilience in your children.

**Remember that we are closed on Monday 1 June for Queens Birthday (Stat Day)**

Thanks

Regards

Avril
