

BabyCues

TENDER LOGICAL CARE TOUR

TWO PARENTING WORKSHOPS

Working Men's Club

134 Esk Street Invercargill

2.00 - 4.30pm

simplify solids

PLAIN + SLOW = GAIN + GROW

Introduce and feed solids in a way that respectfully works alongside your child's basic digestive biology to foster calm. This workshop helps to put the latest research, fads, and recommendations into perspective, while providing a healthy, logical guide for your baby.

a baby's cues

READ & RESPOND KNOWINGLY

Deepen your understanding of what your baby is truly communicating and how to respond knowingly to them to foster calm and nurture developmental sleep. An ideal workshop for parents that have a newborn to six months old, settled or unsettled.

9.30 - 12.00
